Q&A (Paraphrased. Exact verbiage in recording)
<p>Debbie Bishamber (AETNA): Do the issuers wait for distribution of the customized report AID does for each carrier and reconcile that report?</p> <p>AID: Yes there is much more provided than the customized report. The initial seed list has two flags that are color coded that should help drive some of the review besides the customized report. (This was not said in the meeting but working on the customized report will be just part of the review by issuers).</p> <p>Debbie Bishamber (AETNA): Regards to templates submitted for mid may certification, are they changing?</p> <p>AID: They will remain the same as CMS-CCIIO’s offerings.</p>
